

## PORTRAITURE PRICES

- Our sitting fee is **\$150.00**  
This is anywhere from 1-2 hours of shooting, depending on your location and the amount of people or pets involved in your shoot.

**We like to keep our prices competitive and transparent because we believe that everyone should be able to enjoy beautiful images.**

We do not believe in hard sales tactics or shameless viewing appointments where you are forced to buy prints you are not in love with. **Our joy is in giving you exactly what you want.** This is why we have an **online viewing and purchase platform.**

We send you **your very own gallery**, to view all your images and make your own print or digital file purchases with no pressure. Or if you would like our advice, you can also make an appointment to view your images with us as well.

**We can also offer more specialist art prints and framing; we will send you examples of specialist products that we have available.**
